Presentations

Please prepare your presentations according the following information:

Each presentation should be 15 minutes long (plus questions).

Please include the full name and full title of the paper on the first slide. It is necessary for the votes and evaluations of Best Talk Award.
Notebook (with Microsoft Windows, Microsoft Powerpoint and Adobe Reader) and projector is provided in each room.

Detailed section schedules will be available soon.

**Posters**

Please prepare your poster according the following information:

Please bring your poster on a single A0 sized paper (and not multiple A4 sized papers).

All posters must be present by 09:00 AM, Friday at the registration desk. The conference staff will place the posters at the proper site.
